Alexandr Godovnikov · Monday, November 16th, 2020

The apartments are located in the city center, on Gladstone Street. Initially, these were 2 separate apartments, after which they were united and made one large vortex on 2 sides of the building.

The building itself was built with high quality and still does not have any excesses such as moisture or cracks. Inside the apartment there are 4 bedrooms, 4 loggias, 1 office, 2 bathrooms. node, 1 laundry, 2 underground parking, alarm system.

Ideal for a large family, or for investment, in case of division and rent as 2 separate apartments.
