Branco Residences is a luxury 3 bedroom villa with a private roof garden, pool, and BBQ area.

This project is located in the prime, and popular area of Konia, Paphos. This area is high in demand by local professionals and foreign expatriates, largely due to its proximity to the likes of international schools, supermarkets, hospitals, and the motorway, giving easy access and linking to all other cities in Cyprus. Konia is not only convenient but also offers a harmonious balance of peace and quiet, the enjoyment of local life and the chance to immerse into the true Cypriot culture, with the village square and many other traditional villages nearby. When residents of Konia crave a livelier atmosphere, the tourist area of Paphos is only approximately a 7minute drive away, along with the beautiful beaches and the Mediterranean Sea, archaeological and historical sites for those looking for a culture fix, and the Kings Avenue Shopping Mall for the keen shoppers.
